

## N 6, S, Mg, Mn, B, Zn, Mo

**MultiMore** is a liquid foliar product that is designed specifically for moving crops into their initial growth phase. **MultiMore** uses complex chemistry as well as natural chelation which leads to an increased nutrient efficiency that could help aid straw strength, better the plants own immune system and general health .

### Product application

**Cereals:** Apply at 3-5 L/Ha in 100-200 L/Ha water

**Oilseed rape:** Apply at 3-5 L/Ha in 100-200 L/Ha water

**Timing:** As necessary.

**Compatibility:** **MultiMore** is a highly compatible product that can be mixed with most fungicides. Do always seek confirmation about your requirements before using.

### Analysis

**Total Nitrogen (N)** 6.0 %

Amide Nitrogen (N) 6.0 %

**Magnesium (MgO)** 2.0%

**Sulphur (SO<sub>3</sub>)** 5.3 %

**Manganese (Mn)** 2.0 %

**Boron (B)** 0.3 %

**Zinc (Zn)** 2.0 %

**Sodium (Na)** 0.0 %

**Molybdenum (Mo)** 0.02 %

### Benefits of MultiMore

- ✓ Contains amide nitrogen, magnesium, sulphur, manganese, boron, zinc and molybdenum.
- ✓ Helps maintain plant balance at a time when excess nitrogen is pushing growth.
- ✓ Balanced nutrition aids straw strength, increases the plants own immune system and general health.
- ✓ Available with naturally occurring plant growth promoter, which can act as a photosynthesis enhancer, increasing cell division rates leading to production of larger root and shoot biomass.
- ✓ The unique process of production via the *Flex Fertilizer System ApS* creates a true amino complex that increases the uptake and efficiency of trace elements to the crop.

### Important

Speak to your advisor regarding product mixes. May not be compatible with other products (please ask for compatibility recommendations). Always clean equipment thoroughly before and after each use, using plenty of water to avoid adverse product reactions.

### Storage

Min. storage temp 0.0°C Keep container tightly closed in a cool, well-ventilated place. Keep away from heat sources. Keep only in original packaging. Protect from frost. Keep away from food and feedstuffs.
