

NK 3-12

Potassium is a highly efficient liquid foliar product that provides a variety of plants/crops with a good dose of potassium, aiding in plant growth and creating a stronger stem. Produced using the unique process of production via the Flex Fertilizer System ApS, there is a true amino complex within **Potassium** that increases the uptake and efficiency of trace elements to the crop.

Product application

Brassicas: 3-5 L/Ha in 100-200 L/Ha water

Cereals: 3-5 L/Ha in 100-200 L/Ha water

Maize: 3-5 L/Ha in 100-200 L/Ha water

OSR: 3-5 L/Ha in 100-200 L/Ha water

Pulses: 3-5 L/Ha in 100-200 L/Ha water

Timing: As and when necessary and at times of poor potassium availability.

Compatibility: **Potassium** can be mixed with a wide range of Aiva Fertiliser products. Do always seek confirmation about your requirements before using.

Analysis

Total Nitrogen (N) 3.0 % 

Amide Nitrogen (N) 3.0 %

Potassium (K₂O) 12.0 % 

Benefits of Potassium

- ✓ Very efficient potassium foliar using Flex technology creating a low amide nitrogen complex.
- ✓ Potassium aids in plant growth and creating a stronger stem.
- ✓ In photosynthesis, potassium regulates the opening and closing of stomata, and therefore regulates CO₂ uptake.
- ✓ Potassium triggers activation of enzymes and is essential for production of Adenosine Triphosphate (ATP).
- ✓ The unique process of production via the *Flex Fertilizer System ApS* creates a true amino complex that increases the uptake and efficiency of trace elements to the crop.
- ✓ **Potassium** is mixable with a wide range of Aiva Fertiliser products.

Important

Speak to your advisor regarding product mixes. May not be compatible with other products (please ask for compatibility recommendations). Always clean equipment thoroughly before and after each use, using plenty of water to avoid adverse product reactions.

Storage

Min. storage temp 5.0°C Keep container tightly closed in a cool, well-ventilated place. Keep away from heat sources. Keep only in original packaging. Protect from frost. Keep away from food and feedstuffs.
